**Process Server Affidavit**

Year two thousand and fifteen, February sixteenth.

At the request of:

**MR. ILIYAS KHRAPUNOV**  
REPRESENTED BY MR. PAUL GULLY-HART  
ATTORNEY  
OFFICE OF SCHELLENBERG WITTMER S.A.  
RUE DES ALPES 15BIS  
CASE POSTALE 2088  
1211 GENEVA 1

I, the undersigned, André TRONCHET, judicial officer at the Courts of the Republic and Canton of Geneva, at 4:00 p.m. on this day, went to the Office of SCHELLENBERG WITTMER S.A., at 15bis, rue des Alpes, Geneva.

My principal wants me to be present in the Office of his counsel, to attest to the printing and downloading of various documents from the internet.

On site, in the presence of Maître Valérie DE SAINT-PIERRE, an attorney, I make the following observations:

- I. Maître Valérie DE SAINT-PIERRE, in front of me, logs onto my principal's website, at the following address:  
<https://kazaword.wordpress.com>.

She then prints the home page. (*Exhibit A*)

- II. She takes a screenshot of this same home page.

Five captures are required to cover all of said home page.

She then proceeds to print these five screenshots. (*Exhibit B*)

- III. Finally, through the MEGA website, at: <https://mega.co.nz>, which is a storage platform, Maître Valérie DE SAINT-PIERRE downloads fourteen files onto one USB key.

These are very large files, and the download takes a long time.

Maître Valérie DE SAINT-PIERRE makes a screenshot of each download. (*Exhibit C*)

Note: the second file of January 11, 2015 could not be downloaded, because it is no longer available.

Once the download completes, Maître Valerie DE SAINT-PIERRE hands me the USB key containing said files. (*Exhibit D*)

A second USB key is given to me, a key containing the same files as those on the aforementioned key. This "copy" will be kept in my Office for an indefinite period of time.

Thus, my intervention is complete.

\* \* \* \* \*

I enclose the four aforementioned exhibits with this process server affidavit.

From all of which I have prepared the present process server affidavit for all legal intents and purposes.

IN WITNESS WHEREOF

Maître André TRONCHET  
Court Bailiff  
122, route de Frontenex

The screenshot shows the MEGA website interface. At the top, there are 'Log in' and 'Create an account' buttons, along with a 'FREE' button and a 'Create an account' link. A sidebar on the left contains a 'MEGAsync' section with the text: 'Automatic, easy synchronization between your computers and your MEGA storage space.' To the right, there's a 'Download to your computer' button next to a red arrow icon pointing down from a cloud. Below this, a file named 'guebik.rar' is listed with a size of '180.4 Mo'. Further right, there's an 'Import to your storage space' button. At the bottom, a 'Free downloading for Windows' button is visible. A sidebar on the far right contains links for 'What is MEGA? Click or scroll', '[Image] For Windows Chrome Web Store', and '[Image] For Windows MEGA Sync'. The background features a blurred view of the MEGA desktop application interface.

The screenshot shows the MEGA website interface. At the top, there are 'Log in' and 'Create an account' buttons. Below them is a 'FREE' button with the text 'MEGA' and '10 GB FREE'. To the right, there's a section titled 'Applications for Internet Navigator' with a link to 'Install MEGA in your navigator to improve performance and increase security.' In the center, a file named 'pavloinbox.rar' (2.27 Go) is shown with a 'Download to your computer' button and a red arrow pointing down from a cloud icon. To the left, a box describes 'MEGAsync: Automatic, easy synchronization between your computers and your MEGA storage space.' On the right, there's a 'Free downloading for Windows' section with a 'Windows' button. A 'What is MEGA? Click or scroll!' button is also present. The bottom of the page features a navigation bar with links like Home, About, Support, Help, and more.
